

JJ's Limousine Hire

For a limousine experience you will never forget.

About Us

JJ's aim to provide the most professional and friendly service possible.

We strive to make each journey in our limousines an experience you will never forget, and we go that extra mile to tailor our service to suit your needs.

Whatever your requirements our fully committed staff are always at hand to ensure your needs are met.

In the past year JJ's have expanded to include a fleet of executive vehicles, along with millennium style limousines in various colours and also the new Chrysler 300 C, the ultimate in limousine hire.

We provide specially trained chauffeurs. Your comfort and security are of paramount importance to us.
